# Treetops Newsletter

April - May 2024

**Manager : Ms Claire Woodings**  
**Play Worker : Miss Hannah Hughes**

We are excited to share another exciting Treetops newsletter with you!

As the days get longer and the nights get shorter, the temperature is milder and flowers bloom, we can tell the spring season is upon us. This term has sped by, and we cannot wait to tell you all about the adventures we've had over the past few weeks.

In Breakfast club we have enjoyed celebrating national school breakfast week. We had fun using the ink rollers to create some beautiful artwork and we loved hearing about the children's dream breakfasts. We also thought about where our breakfast comes from and grew our own wheat to find out how bread is made. We have also really enjoyed gymnastics with Ella where we have practised our balancing skills and had fun playing the floor is lava! After Easter we are hoping to get outside and do some planting! We have been busy making some fairies and fairy potions and hope to create our own fairy garden outside when the weather warms up!

- Gemma Denyer, Breakfast Club Manager

In Treetops afterschool club, a popular conversation starter for children is "What are we having for snack?" To answer this question: We provide a variety of mouth-watering small meals to quench their appetite. A well-known favourite for the children is Ms Woodings' homemade cheese and bacon turnovers. Not only do the children love it, but other teachers in the school poke their head round for a bite. Does your child have any allergies or food requirements? No problem! By letting us know, we can provide for your children's needs.

With continuous art and craft activities, we have redecorated our walls with children's beautiful bubble wrap painting. It is so wonderful to see rainbow colours. Our rainbow week armed the children to brighten up our room with all the colours of the rainbow. We also made hanging rainbows and rainbow rice which is hugely popular with the children. This sensory activity has been an enormous hit, creating an inordinate amount of fun and engagement.

A new addition to the Treetops room is our very own Treetops Family Tree! Every child has had the chance to paint their hand and slap it onto the wall and write their name underneath. The wall has been beautified with their handprints. It is wonderful seeing the size differences from Nursery all the way to Year 6.

Our special events on Mondays or Tuesdays keep getting more and more exciting! The highlight for me was our karaoke day. Treetops had a giant speaker and microphone allowing each child to show off their singing voices. We had a range of songs from It's Tricky to Twinkle Little Star. All the children were in high spirits and were singing and clapping along with each other. Not only were the children having the time of their lives, but the parents too were able to share their joy and laughter when hearing the children's wonderful voices all the way from the Treetops room!

**Treetops would like to remind everyone on the last day of term (28<sup>th</sup> March), we will be running from 1:30-4:30.**

Miss Hughes – Play Worker

**[Here are some fabulous photos of the fun and laughter we have been having!](#)**

# Special events that you don't want to miss!

April - May

Terrific Tuesday 16 <sup>th</sup>	Movie night
Fun Friday 26 <sup>th</sup>	Disco with Tea party
