

Childcare schemes

Government Tax-Free Childcare

Trinity Oaks C of E Primary School is registered with the Government's tax-free childcare scheme. Therefore, if you have registered with the scheme, you can make payments directly to Trinity Oaks via that. You may need to enter our postcode (without gaps) to find us. Our postcode is RH69NS. Please email admin@trinityoaks.surrey.sch.uk to let us know your child's unique reference number so that we can easily match the payment.

Childcare voucher partners

Please note that the Government tax-free childcare scheme replaced the childcare voucher scheme on 4th October 2018. This means that anyone already within a voucher scheme could continue, but it was not available to new members.

In order to make a payment with childcare vouchers, you will need to identify Trinity Oaks as your childcare provider. Please use the invoice number and your child's surname as a reference and email admin@trinityoaks.surrey.sch.uk to advise a payment has been made.

Details are:

- **Edenred** – please use our account number **P21002830**
- **Kiddivouchers** – please use our unique reference number (URN, sometimes called Ofsted number) **141036**
- **Fair Care** – please use our account reference code **TRIN0717**
- **Care4** – please use our Ofsted number **141036** to find us on the Care4 system. Please let me know if you need any further details.
- **Caboodle** – please search for the School name and postcode (**RH6 9NS**)
- **Computershare** – details to follow
- **Sodexo** – please use our carer ID: **841731**

If you are registered with another provider, please let me know (by emailing admin@trinityoaks.surrey.sch.uk) and I can register the school so that you can pay via childcare vouchers.

To use Scopay (Tucasi):

If you have informed the school you will be using childcare vouchers, your child's account has been set up to allow you to book sessions and show a debt on the account. Then please make a transfer to the school as detailed above and email admin@trinityoaks.surrey.sch.uk with the details. When the credit appears on the school account, we will then credit that amount back onto your child's Scopay account.
