

Dear Parents,

We are now at the end of our first year together.

This has been a year of change and challenge where we are forging towards to future of this school.

We have had lots of firsts this year - first ambassadors, first published SATs data, VIP lunch, whole school sports days, Head for the day, extended nursery provision.

All of this on top of improving behaviour, communication (although this will never be perfect for everyone) and curriculum development.

These changes have all supported a more cohesive school offer that we will continue to build on next year.

Have a lovely summer break with your family and friends and we will see you all on Tuesday 5<sup>th</sup> September.

Mrs Woods

### **FOTO (Friends of Trinity Oaks)**

FOTO have given the school £7,000 to develop the reading offer by purchasing books for Nursery up to Year 6. This will allow us to improve the book section when learning to read through phonics, banded books for guided reading and high quality class texts to improve access to a range of genre. We will also be looking at our curriculum to supplement our non-fiction library, so that children have access to reference books that support the context in which they are learning.

FOTO are also giving us £5000 to buy a new visual and sound system for the hall - this will improve our ability to deliver high quality worship, productions and presentations. This will hopefully be installed during the summer holiday.

This year the fair raised over £5000 - we are just waiting for the last sponsorships to come in before revealing the final total!

It was a great afternoon - thank you to all those who came to support the school.

Thank you to the FOTO team for your dedication and enthusiasm in everything you do for the school.

## SOMETHING TO CELEBRATE !

### End of Key Stage Data

We have a lot to celebrate - our children are achieving very well in comparison to national and Surrey standards.

As you can see we are above national averages across the board with some excellent greater depth attainment. This evidences the excellent teaching and learning your children are receiving.

We are very proud of all of our children and want to congratulate them on their achievements.

We will be further developing curriculum to ensure that by the end of each key stage we are in line with or above Surrey averages.

### Amazon Wish List

Thank you for all your support this year and if you still wish to support the school please take a look at our Amazon wish list.  
We really do appreciate your generosity.

We would like to say thank you to Britania Crest for supporting us with the skip for the end of the year!  
We have managed to get rid of old and broken items so that we start the new academic year afresh!

### **TRIPS AND RESIDENTIALS**

With the increase in the cost of living, the price of trips, visit and experiences have inevitably gone up. As a school we are mindful of this and make every effort to ensure that we have planned experiences that are value for money – whilst maintaining the highest standards of health and safety.

With this in mind I will be looking at the broader offer, across all year groups.
