

Message from Miss Tansley

Dear Parents and Carers,

Welcome to a brand new school year everyone!

I hope that you are all well and that you had a chance to rest and relax over the summer. It has been lovely speaking to the children over the last few days and hearing all about what they have been doing during their holidays.

It has been wonderful to see everyone this week and welcome all of new families in Acorns Nursery, Oaks Reception, Holly Class Maple Class and Ash Class; we are looking forward to getting to know you and helping you settle at Trinity Oaks.

We have also welcomed new Class Teachers, Miss Sutherland to Year 5, Miss Putland to Year 6 and Mrs Roberts has also joined the Office Team and will be supporting us on a Monday and Wednesday. One of the special parts of this week has been the fact that we have been able to join together for Collective Worship. The theme this week has been 'Community' and reflecting on how we can make our school a welcoming place for everyone.

As we begin this new academic year and negotiate this transition phase following the lifting of COVID 19 restrictions, we are grateful to you all for your understanding and support. We will be sending further information to help you, regarding our outbreak management plan and how to report absences, by the end of this week.

Please don't hesitate to contact us if we can support you in any way.

Best wishes

Lisa Tansley

Staff News

Miss Smith's family has grown by one with the arrival of Teddy on 19th August 2021.

Congratulations to Rachel, Tim and big sister Immie!

Two weddings took place over the summer.

Congratulations to Mrs Walker (formerly Miss Arthurs) and Mrs Kell (formerly Miss Bennett).

ACORNS NURSERY

Secondary School Admissions

Applications for Year 7 are open and the deadline is 31st October. Secondary Schools are now taking

Don't miss the secondary school admissions deadline

Visit surreycc.gov.uk/admissions

bookings for open mornings and tours during September and October so please check their

websites for details and book your place. We are liaising with local secondary schools on how best to support our parents through the admissions process and will update you as soon as we can. Please speak to Miss Tansley if you have any questions or concerns.

Fundraising

Next week we will be taking part in Jeans for Genes

week which is the annual fundraising event for the genetic disorder community. Money raised will be used to increase awareness of the challenges faced by those living with a genetic disorder and to fund

projects to support them. Children may come to school wearing jeans in return for a donation (£1 suggested amount payable in coins or via ParentMail).

Years 5 and 6, wear your favourite jeans to school on Thursday 16th and for Nursery to year 4, it's your turn on Friday 17th. **School uniform should be worn on top.**

Flu Immunisations

This year all children in years R to 6 are invited to receive a flu immunisation at school

on **Monday 10th November**. You will receive a letter from the NHS via ParentMail with full details by the end of this week.

All questions regarding the immunisation or the online permission system should be directed to the Immunisations Team (contact details in the letter) and not the School Office please. If parents do not complete the online permission form by the closing date it will be assumed that they do not wish their child to receive the immunisation.

We need you!

We are very happy to announce that we can now welcome volunteers back into school. If you have helped in school before and would like to come back

or if you are new to volunteering and have time to spare on a regular or occasional basis, we would love to hear from you. Please ask the School Office for a Volunteer Pack.

School Garden

We are extremely grateful for the efforts of our former Gardening Volunteers who, in previous years, have set up our school garden and shared their love of growing flowers and vegetables with the children.

We are now looking for volunteers to form a new group to continue their good work and bring the garden back to its glorious best! If you are interested in gardening with the children during school hours or helping with the upkeep of the school garden at other times, please contact Miss Tansley for more information.

Diary

Friday 10th September at 10am

After School Clubs are bookable on ParentMail

Tuesday 14th September at 7.30pm
