

## Message from Miss Tansley

Dear Parents and Carers,

I hope that you are all well and that you are having a good week.

It has been another busy week at Trinity Oaks! Well done to Oaks Reception Class who have stayed all day, for the first time this week!

We have also launched our new 'Red Ted' and 'Reading Pathway' reading initiatives this week, which the children have been very excited about. Please see the separate letters that have been sent out via ParentMail, for more information.

We are very grateful to the team who have helped to clear and prepare the school garden and planters, ready for new bulbs and new projects. Please see the information included in the newsletter, if you might like to get involved!

We were aware that some of the information regarding Covid-19 including the latest risk assessments, our outbreak management plan and information about remote learning, was not as accessible as it could have been. Therefore, we have created a new page under the 'Curriculum' tab on the school website and have saved all of the latest information in one place. We hope that this will help you all to be able to access the information you need.

This afternoon, after school, there is also an opportunity for you to come and say 'hello' to your child's teacher and visit their classroom, if you would like to, between 15:00 and 15:30.

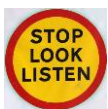

We look forward to seeing you then.

Best wishes

*Lisa Tansley*
