

Message from Mrs Fisher

Dear Parents and Carers,

Happy New Year to you all. We hope that you were all able to find some time to rest and relax with family and friends over the holidays. A big thank you from all staff to parents, carers and children for the wonderful cards and gifts that we received at Christmas! The children have settled really well into the start of term. I can see lots of excited and happy faces coming into school every day and we have already busily launched ourselves into our learning.

Looking into the diary for this term we have some of our 'usual' activities planned such as Parent Teacher Consultations but more information will come out about these and other events over the next couple of weeks.

A big welcome back to Miss Tansley!

Have a great week,

Marnie Fisher

Thankfulness

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Please see this [COVID 19 testing guidance for children in year 6 and below](#) for further information and guidance.

Trinity Oaks Readathon – Let's get reading!

To celebrate and encourage a lifelong love of reading at home and school, we are running a sponsored read between the 31st January -7 th February. All the money raised will go towards brand new books for our school. Please help us to enhance our reading resources for pupils by encouraging your child to spend a small amount of time each day either reading to themselves, to others, or being read to. They can read books, comics, magazines, newspapers, menus, websites, recipes, poems, leaflets, instructions – anything with words!

ELSA and Pastoral Support

We are so lucky to have Mrs Whitford and Mrs Denyer as our two wonderful school ELSAs. The ELSA or Emotional Literacy Support Assistants work individually with children who may need recognising, understanding, managing and expressing their emotions. Some areas in which the ELSAs work are around social skills, self-esteem, loss and bereavement, friendship skills, anger management and recognising emotions.

How does ELSA work?

- Each child is seen in a small group or on an individual basis for a set period of time each week for a block of weeks.
- Sessions are individually tailored to each child.
- Sessions are fun using stories and games
- There is always time to talk.
