

keep moving forward

Message from Mrs Fisher

Dear Parents and Carers,

Wow, what a week we had at Trinity Oaks last week! We received our OFSTED call just after 9am last Monday morning and it was all systems go to show Ofsted what a fabulous school we have and celebrate the wonderful learning and relationships that we see in our school every day.

Thank you all so much for being so open and honest with the Inspector and for championing how much your children love coming to Trinity Oaks. The inspector was able to get a real feel of the wonderful community that our school sits within. Unfortunately, it is a long (30 day) wait until the end of May before the report comes out and we can share it with you all. We are all in agreement however, that the inspector was fair and thorough in his processes.

We also had the pleasure of a visit from a top athlete Frederick Afrifa. His visit was received with much enthusiasm by the children and he was wonderful in motivating the children to 'dream big' and 'Keep moving forward'!!

Monday evening, the choir performed brilliantly at Dorking Halls led by the incredibly talented Mrs Ballard. Well done to the choir for making us all so proud for how they conducted themselves and represented the school.

We hope you all enjoyed a great long weekend!

Best Wishes

Marnie Fisher

Acting Headteacher

Frederick Afrifa

[Trinity Oaks Fundraising Page](#)

On Thursday the 28th April, Fredrick Afrifa, a famous athlete, came to our school. He taught us about physical fitness, and also how to motivate ourselves by not giving up. He inspired lots of us to "keep moving forward." (one of his famous quotes)

We did different activities throughout the day including: Star Jumps, pushups, spotty dogs and much more! He even challenged some of us to race against him which was funny to watch. We all helped out to raise money for new school equipment, which we worked hard for and successfully earned.

Everyone really enjoyed it and it was an honor to have him at our school teaching us about perseverance.

Thank you Fredrick!

Dorking halls:

Everyone here at trinity oaks absolutely loved the dorking halls performance - from the beautiful st bedes group to the amazingly supportive staff, we all enjoyed it loads and would love to experience this again soon! In our opinion we all harmonized amazingly and managed to keep in time with our amazing band. I love how the songs were all about the environment and how we can protect it.

we gathered some opinions and reviews from some of our fellow trinity oaks singers to see what they thought of it.

Eloise C - "It was a really enjoyable and fun experience"

Darcy wheaden - "utterly fantastic"

Mrs Clawsen - "It was amazing, I was shocked at how every member of our trinity oaks choir sang so beautifully, we were all really proud"

And Julia - "10/10 I would definitely do it again."

We are all very proud of our fabulous choir and their amazing performance on the night.

A special thank you must go to Mrs Ballard who worked so hard to get the children ready and managed all of the behind the scenes' organisation.

We are also very grateful to Mrs Clawsen, Mrs Penfold and Mrs Shackleton for stepping in at the last minute to accompany the children to Dorking Halls so that the teachers could prepare for our Ofsted visit.

ACORNS NURSERY
